

**Programme of events at the Russian pavilion
COP-24, Katowice, 3-14 December 2018**

Data	Topic	Speaker
4 December, Tuesday The Forest Day of Russia		
12.00 – 15.00	State policy and Measures aimed at mitigating anthropogenic impact on the climate system and at adaptation to observable climate change	Vladimir Dmitriev, Head of the Department for Science and Prospective Forest Development the Federal Forestry Agency
	Enhancing fire safety in forests, including forest fire prevention and monitoring	Vitalii Akberdin, Head of Aerial Forest Protection Service «Avialesookhrana»
	Principles of implementation of climate policy in forest-related planning	Aleksei Grigorev, Deputy Director at «Roslesinform» Russian Forest Information Institution
	Measures to mitigate the impacts of pest massive outbreaks as well as of extreme weather phenomena in forests	Vasilii Tuzov, Deputy Director of «Roslesozashchita» Russian Center of Forest Protection
	Strategy of Arkhangelsk Pulp and Paper Mill in the field of emissions reduction and sustainable forest management	Yuri Trubin, Deputy Director, JSC 'Arkhangelsk Pulp and Paper Mill'

5 December, Wednesday Russian climate science: high lats as highlights		
10:00-12:00	Arctic in the context of Paris Agreement	Vladimir Kattsov, Director, Voeikov Main Geophysical Observatory of Roshydromet
	Russian climate studies in the Antarctic	Alexander Klepikov, Deputy Director, Head of the Russian Antarctic Expedition, Arctic and Antarctic Research Institute of Roshydromet
	Black carbon emissions from forest fires in Arctic	Anna Romanovskaya, Director, Yu.A.Izrael Institute of Global Climate and Ecology of Roshydromet
6 December, Thursday		
11:00-12:00	Projects implemented in the framework of the Climate Window of Russia-UNDP Trust Fun	Elena Melnik, Ministry of Foreign Affairs of Russia
8 December, Saturday		
11:00-12:00	Aligning the SDGs and Climate Change Agenda of Russian Business	Elena Korotkova, Association 'National Network of the Global Compact', Severstal
10 December, Monday		
13:00-14:00	Live demo and workshop on decentralized climate programs launch in DAO IPCI blockchain	Alexey Shadrin, Russian Carbon Fund, Evercity, Sergei Lonshakov, Aira Lab

<p align="center">11 December, Tuesday Day of low carbon materials and technologies</p>		
10:00-12:00	<p>Session 1. Green technologies and low carbon products</p>	<p>Welcome remarks: Ruslan Edelgeriev, Adviser to the President of the Russian Federation, Special Envoy for Climate (TBC)</p>
	<p>RUSAL's Climate Strategy – Talanoa approach</p>	<p>Evgeniy Nikitin, CEO of RUSAL</p>
	<p>Remarks on circular economy</p>	<p>Jukka Uosukainen, Director of CTCN</p>
	<p>The role of national export development institutions in transition to a green and sustainable economy</p>	<p>Alexey Kuranchev, Director, Metals and Mining Business Development, Russian Export Center</p>
	<p>Potential for electromobility in Russia– case from: No Trace Expedition 2018. Expedition by electric car from Poland to Japan and back. 30 000 zero emission km.</p>	<p>Marek Kaminski, explorer, Marek Kaminski Institute, Poland</p>
	<p>Stimulus mechanisms for transition to low carbon technologies and products in Russia – plans and reality</p>	<p>Oleg Pluzhnikov, non-governmental organization “Delovaya Rossiya”, Russian partnership for Climate</p>
12.30 -14:00	<p>Session 2. Climate education and volunteerism –cooperation amongst business, universities, regions and nongovernmental organizations</p>	
	<p>“100 students” programme of RUSAL</p>	<p>Sergey Chestnoy, Adviser to the President of UC RUSAL</p>
	<p>En+ Group: cooperation with universities and support for volunteer programs</p>	<p>Anton Butmanov, Deputy Director, En+ Development (TBC)</p>
	<p>Case of knowledge sharing: online learning platform about people and infrastructure of the Russian Arctic zone</p>	<p>Maxim Titov, Head of ENERPO Research Center, European University at Saint-Petersburg</p>
	<p>The Role of Public Sector and Businesses in Developing Ecological Volunteering in Russia</p>	<p>Tatiana Evseenkova, Deputy Exec. Director of the V.I. Vernadsky Foundation</p>

12 December, Wednesday		
10.00 – 12.30	Session 1. Russian State Energy Policy Within the Sustainable Development Context	Welcome remarks: Ruslan Edelgeriev, Adviser to the President of the Russian Federation, Special Envoy for Climate (TBC)
	State energy policy and climate aspects	Alexey Kulapin, Head of Department of State Energy Policy, the Ministry of Energy of Russia
	Various Energy Sources and Sustainable Development	Vladimir A. Grachev, the President of the V.I. Vernadsky Foundation
		Vasily Shikin, Head of Export Projects Development, Hevel Group
	Natural gas industry contribution into the sustainable development	Alexander Ishkov, PAO Gazprom, Duputy Head of Department
	En+ Group Climate Responsibility	Evgenii Tikhonov, Strategy and Development Director, Eurosibenergo JS (TBC)
	Sustainable development and adaptation of the energy complex to climate change	Mikhail Gitarsky, Institute of Global Climate and Ecology of Roshydromet and RAS
12.30 - 15.30	Session 2. Natural Gas Promoting Low-Emission & Sustainable Development Panel 1 – Natural Gas: An Economic, Secure and Flexible Energy Source Panel 2 – Strategic / Future Scenario of Natural Gas: Responding to Climate Change and Energy Transition	Ministry of Energy of the Russian Federation
16.00 – 17.00	Session 3: "Hydropower as the basis for green and sustainable development"	En+ Group (TBC)

13 December, Thursday Education Day		
10:00-12:00	Education for Sustainable Development	
	MA in Energy Politics: how to add sustainability component?	Nikita Lomagin, Vice-Rector, professor of the European University at Saint-Petersburg
